Fortune Teller

Step 1: Start with a square piece of paper

Step 2: Make 2 folds, one along the horizontal axis and one along the vertical axis, following the dotted lines shown in the photo below.

Crease well and unfold.

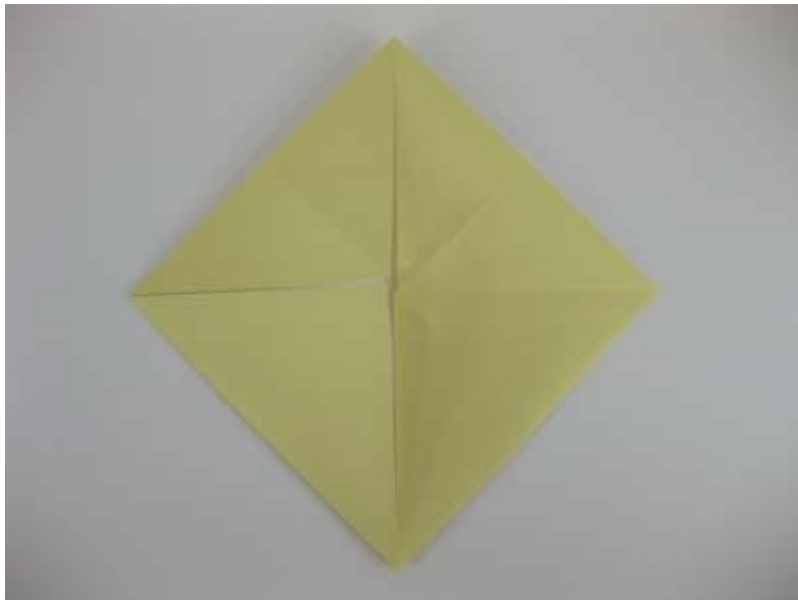

step 3: Make another 2 folds, this time along the diagonal axis. Crease well and unfold.

Step 4: Starting with the bottom right side, fold the paper to meet the center point.

Step 5: Repeat for the other 3 corners.

Step 6: Flip paper over.

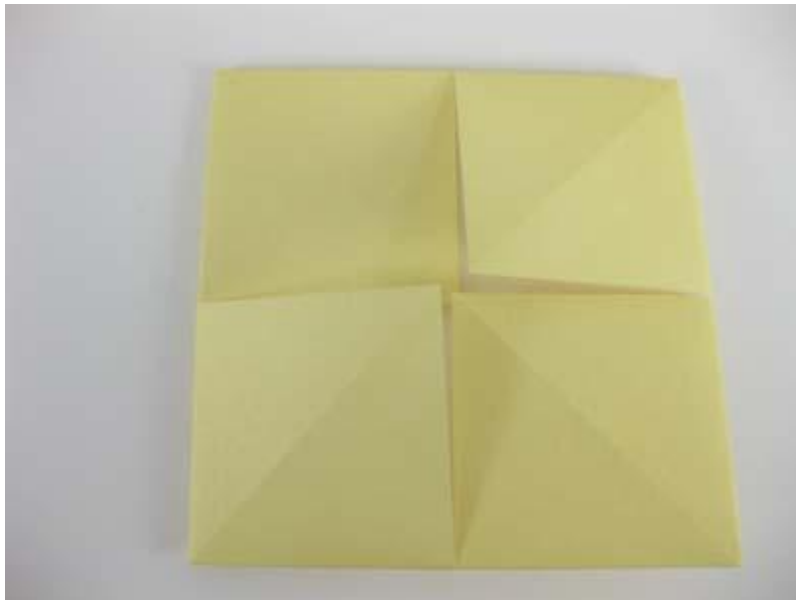

Step 7: Fold the bottom tip to meet the centre point.

Step 8: Repeat for the other 3 corners.

Step 9: Flip paper over.

Step 10: Now start to pry open the paper with your fingers. You need to create room for your thumb and index fingers to hold up this origami fortune teller.

Step 11: Flip paper over and your origami fortune teller is complete!
